Important Information:

Our main show is now in February, so that extended rehearsals are during the darker, colder months. We understand the demands of school, family and hobbies on you and your family, and respectfully ask that you consider the commitment required to participate in the show, before your child commits to their role. **Please ensure that your child is available for all dress rehearsals over Feb half-term.** When everyone attends, it strengthens friendships and develops trust between company members, while raising the standard of performance. This positive environment creates a real buzz for our young people, and is one of the most exciting and enjoyable elements of being a theatre person!

Missing rehearsals means repeating scenes unnecessarily, delaying progress and weakening the morale of those who are committed. Half-term rehearsals (especially the technical) will involve potentially long periods at the hall, hot lights, waiting to go onstage etc. Please discuss the demands of this type of environment with your child and the conduct expected of them.

Please encourage your child to attend all sessions/rehearsals. Frequent absence may result in their role being re-cast.
